# BUILDING THE PLYMOUTH ROCKER

## Wooden Boat **ROCKER CLASS**

In this 3 day class, each student will build their own "Plymouth Rocker", a rocking boat that is suitable for use by toddlers. Destined to be a family heirloom this boat is of wood construction. Students will assemble their boat from mostly pre cut pieces. Along the way, students will learn basic woodworking skills and come away with a completed boat that is ready for painting.

Seating Limited to 6 Students
