# TRADITIONAL WOODEN BOAT BUILDING

Register for a one-week, fundamentals of wooden boat building course, the first of its kind on Cape Cod! This five-day program will enable students to learn the basics of lapstrake wooden boat construction used in building small craft. NO PRIOR BOAT BUILDING EXPERIENCE REQUIRED.

**THE CLASS WILL BUILD AN ELEVEN-FOOT WOOD SKIFF OF TRADITIONAL DESIGN BY PAUL GARTSIDE. THE BOAT CAN BE EASILY ROWED OR POWERED WITH A SMALL OUTBOARD. THE BOAT WILL BE AVAILABLE FOR PURCHASE BY AN INTERESTED STUDENT AT THE COMPLETION OF THE COURSE.**

Days M-F 8AM-5PM  
Dates August 7, 2023
